CAREER OBJECTIVE OR ABOUT ME

Motivated and detail-oriented **BCA student** with strong knowledge of **web technologies (HTML, CSS, JavaScript)** and foundational skills in **Python and Java**. Seeking an opportunity in **front-end or full-stack development** to apply academic knowledge, contribute to real-world projects, and enhance technical expertise.

Experience

Intern – Web Development

Digify Company | Aug 2024 – Sept 2024

- Developed and tested components for an online classes platform.
- Applied front-end technologies (HTML, CSS, JavaScript) in project tasks.
- Collaborated with team members to understand real-world project workflow.

Intern – Python & Data Structures

Prerogative Pointers | Jul 2025 – Present

- Learning Python programming and Data Structures & Algorithms.
- Building logic-based problem-solving skills through projects and coding exercises.

Projects

Personal Portfolio Website (HTML, CSS, JavaScript)

- Built a fully responsive **portfolio website** to showcase skills, projects, and achievements.
- Implemented interactive navigation and modern UI/UX design.

Weather App (HTML, CSS, JavaScript, API Integration)

- Developed a **real-time weather application** using OpenWeather API.
- Displayed temperature, humidity, and weather conditions for different cities.

Pizza Pie Website (HTML, CSS, JavaScript)

- Designed and built a responsive **Pizza Pie website** with menu and order pages.

Netflix Clone (HTML, CSS, JavaScript)

- Created a **Netflix homepage clone**, demonstrating front-end development skills.

Personal Details

- **Date of Birth:** 22/04/2004
- **Gender:** Male
- **Languages Known:** Hindi, English
- **Nationality:** Indian
